Weldon Solutions Joins 3M Robotics Network as a Select System Integrator
New affiliation expands Weldon’s access to 3M’s abrasive products, creates additional training opportunities and bolsters customer referral network

YORK, PA (11 November 2020) – [Weldon Solutions](#), a leading manufacturer of CNC cylindrical grinders and robotic automation systems, has joined the [3M Robotics Network](#) as a Select Robotics System Integrator for 3M’s Abrasive Systems Division.

By joining the 3M Robotics Network, Weldon Solutions will have direct access to the application engineering team at 3M, a global leader in the abrasives industry, which will provide the York-based company with additional technical resources to support material removal system projects and identify alternative tooling solutions for future applications.

The affiliation provides early access to newly introduced 3M products for robotic cell applications, along with expanded training opportunities and access to a new customer referral network.

Weldon is an Authorized System Integrator and Certified Service Provider for [FANUC Robotics](#), which is also part of 3M’s OEM Preferred Partner Network.

“At Weldon Solutions, we understand the importance of providing our clients with robotic automation solutions that will lead to successful outcomes. The 3M Robotics Network will help expand sales relationships and service capabilities, while keeping Weldon at the forefront of cutting-edge tools to support client projects,” said Travis Gentzler, President of Weldon Solutions. “This alignment with 3M is another big feather in our cap and showcases Weldon’s deep knowledge and technical expertise in automated systems.”

###

About Weldon Solutions

With roots dating back to the 1890s, Weldon Solutions provides a variety of industries with innovative, robust equipment to assure long-term security and prosperity with CNC cylindrical grinders and robotic automation systems. As an Authorized System Integrator for [FANUC Robotics](#), Weldon Solutions is also a FANUC Certified Service Provider, providing the ultimate in automation versatility. When you choose Weldon Solutions you are choosing not just an automation supplier, but also a member of your team. <https://weldonsolutions.com>.
